Government/Commercial/Industrial
 Facilities Emergency Management & Security Services

Sec-Ops has been a leading industry provider of high quality facility, emergency management and total Security services for over 10 years. Serving commercial Energy Industries, Navigation Districts, Independent School Districts and Government Agencies, Sec-Ops has built a reputation of delivering quality security services that meet or exceed our client's requirements and expectations.

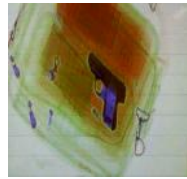

Sec-Ops is a trusted and experienced Commercial and Government Services contractor in the industry. As a Service Disabled Veteran Owned Business with a proud history with a strong management structure providing a broad experience base, we offer our clients commitment to service excellence. We emphasize our capability to provide a full range of products and services listed meeting total quality objectives. Sec-Ops is contracted by the Wyoming Department of Education as a consultant for the planning in the areas of school safety, strengthening the prevention, protection, mitigation, response and recovery capabilities during catastrophic events/threats in coordination with the Wyoming Office of Homeland Security (WOHS) and the Wyoming Department of Education (WDE).
