Laramie County Library System (LCLS) Selects Sec-Ops as their security guard services provider located at 2200 Pioneer Avenue Cheyenne Wyoming

Corpus Christi, TEXAS—December 31st, 2015—Sec-Ops Inc. announced that they were awarded the security guard contract for the Laramie County Library commencing operations on 2 January 2016. Sec-Ops security officers will provide security patrol, monitor CCTV and support customer service by providing assistance to the staff and customers of the library. The LCLS selected Sec-Ops based on their best value pricing, quality security officers, proven record, and client references for this important project.

The Sec-Ops team of experienced guard force personnel will support the security mission of the library and support the staff ensuring a safe environment is maintained while projecting a positive customer service experience for all customers. “We are very proud to partner with the Laramie County Library staff, a team which shares our corporate values of safety, quality and integrity. Working with Ms. Laura Block the Deputy Director of Operation and her staff is a true pleasure,” said Robert Lott, President, Sec-Ops, Inc. As a land mark destination, the Laramie County Library is the oldest continually operating county library system in the United States. The current library building is three stories, 100,000+ square foot facility encompassing everything to inspire young minds and that the community cherishes. Our security team will be led by our Wyoming Operations Manager, Mr. Victor Meyers. He is a 28 year security veteran and will provide the quality oversight of the security operations ensuring 100% customer satisfaction.

About Sec-Ops, Inc.

Headquartered in Corpus Christi, Texas, Sec-Ops provides their select clients with facility and security services ranging from integrated security solutions designed for today’s IT environments, quality trained security personnel, and emergency management services. Sec-Ops maintains a fully staffed local office location in Cheyenne providing direct support of our statewide operations in Wyoming. The Sec-Ops team core principals include providing total security management solution that affords the customers a quality security profile enabling them to combat the ever-increasing threats posed to security, life safety and asset protection. With more than a decade of service providing total security industry experience, Sec-Ops has developed and implemented quality solutions far exceeding client standards while remaining in their budget.
