State of Wyoming and the Wyoming Military Department Selects Sec-Ops Proposal for “The Armed Security Guard Program” servicing the Joint Forces Headquarters Facility and Camp Guernsey

Corpus Christi, TEXAS—May 17th, 2016—Sec-Ops Inc. announced that they were awarded the Armed Security Services contract commencing full guard operations on June 1st, 2016 by the State of Wyoming. Sec-Ops armed security professionals will provide all security guard operations supporting the Wyoming Military Department’s physical security program. Sec-Ops guard force will be responsible for all entry access control, roving patrol, alarm response and monitoring all security video for both facilities. The State of Wyoming selected Sec-Ops based on their best value pricing, experienced security management team, client references and technical approach for this important mission.

The Sec-Ops guard force of experienced AR 190-56 certified personnel will support the security mission of the Wyoming Military Department. Show casing the guard force is the Operations Manager, Mr. Victor Meyers, a 28 year veteran in security and force protection management arena. Supported by our certified In-house training team and quality control staff, the Wyoming Operations Manager, will provide all oversight of the program and will be the direct point of contact to the State contracting staff and the Wyoming Military Department designated representatives for all guard force operations. The State of Wyoming approved the contract to Sec-Ops, Inc., a service disabled veteran owned small business, who assembled the quality team of seasoned security veterans and experienced security professionals to augment the military security operations mission.

The guard force project encompasses the security mission from FPCON normal through Bravo, with military augmentation for Charlie and Delta. Sec-Ops was quoted; “We are thrilled and honored to be selected by the State and the Wyoming Military Department to facilitate the security guard program enhancing their security mission. We are proud to continue our work with the Wyoming Army National Guard and we are confident that our military security operations experience and total security response capabilities we have developed over our 11 years in the industry will ensure success for this important contract.” says Robert Lott - President, Sec-Ops, Inc.
